HONORARY DOCTORAL DEGREES

Lee S. Bickmore / *Doctor of Public Service*

Presented by Dean Weldon J. Taylor

Lee S. Bickmore, president and chief executive officer of the National Biscuit Company, was born in Paradise, Utah, in 1908. He attended Utah State University from 1927-31, majoring in business administration, and graduated from the Harvard Business School's advanced management course in 1949. He presently is a trustee of Pace College in New York City, a trustee of the Academy of Food Marketing of St. Joseph's College in Philadelphia, and a fellow of Brandeis University in Waltham, Massachusetts.

Mr. Bickmore began his selling career in 1933 at Nabisco's sales branch in Pocatello, Idaho. He worked as a salesman in Salt Lake City, returning to Pocatello in 1943 as assistant merchandising manager. In 1946 Mr. Bickmore was made assistant merchandising manager of the sales department of Nabisco's general office in New York City. Later that year he was named district sales manager, working in the headquarters at Newark, New Jersey, for three years, after which he returned to the general office in New York City as administrative assistant to the vice-president for sales.

In 1950 Mr. Bickmore took the position of vice-president for sales, advertising, and marketing, and seven years later he was elected a senior vice-president and member of Nabisco's executive department. This position gave him much experience in planning and directing overall policies. A promotion in 1959 elevated him to the positions of executive vice-president and member of the board of directors of Nabisco.

On April 1, 1968, Mr. Bickmore was elected chairman of the board of the National Biscuit Company, having served as president since 1950 and as chief executive officer since January 1961.

Short Hills, New Jersey, is now home to Mr. Bickmore and his wife, the former Ellen McMinn, but his interests go far beyond any city or state boundaries.

Always concerned about the quality of products and the economy of the nation, Mr. Bickmore is a member of the Marketing Committee of the National Association of Manufacturers, member of the Planning Council of the Presidents' Professional Association, Inc., member of the National Industrial Conference Board, past national president of the Defense Supply Association, and director and past president of the Biscuit and Cracker Manufacturers Association, Inc.

Mr. Bickmore also holds prominent positions in other businesses. He is a member of the boards of directors of Bankers Trust Company, Carrier Corporation, Hart Schaffner and Marx, The Mutual Life Insurance Company of New York, and the Western Electric Company. He is also a director and former chairman of the Grocery Manufacturers of America, The Economic Club of New York, The Advertising Council, and the American Management Association. But in spite of his business concerns, Mr. Bickmore finds time to be a member of many clubs.

Mr. President, for his achievements in business management, for his dedication to his fellowmen, his country, and the national economy, for his leadership ability, and for his lifelong dedication to public service, I recommend that Lee S. Bickmore be awarded the degree of Doctor of Public Service, *honoris causa*.

Ernest Eberhard, Jr. / Doctor of Humanities

Presented by Dr. William E. Berrett

Born in 1909 in Stuttgart, Germany, Ernest Eberhard, Jr., was three years old when his parents brought him to a then barren and wind-swept area near Nampa, Idaho. Here he grew while experiencing hardships and persecution which helped him to develop the keen sensitivity and interest in other people which characterize his whole life. Through twenty-six years of seminary teaching, many years as bishop and high councilor, ten years teaching teachers how to teach and preparing curriculum for seminaries and Church schools, two terms as mayor of Preston, Idaho, as well as through his two books, *What Shall We Do With Love?* and *Sacred or Secret?* Brother Eberhard has had untold worldwide influence on the lives of people.

Brother Eberhard served a mission to his homeland from 1928 to 1931. He worked his way through Brigham Young University by teaching German. He graduated with honors in three years with a B.A. in German and secondary education, receiving his master's degree in guidance and counseling and Church history and doctrine in 1959 from the same University.

Between these years and continuing to the present, he has given much of his life and talents in the service of his fellowmen. He presently is extending his influence throughout the Church as a member of the Church Correlation Committee. Since 1959 he also has served as director of curriculum for all aspects of the seminary program. Last year the religious education curriculum of all Church schools, except Brigham Young University, was added to his responsibilities. This is the area where Ernest Eberhard has made his greatest contribution by strong emphasis on the functional aspect of religious education. A former student once said of him, "When our world seemed to be falling apart he had a way of putting it all back together."

In 1934 Brother Eberhard and Nevon Olsen were married in the Salt Lake City LDS Temple. Despite his activity in Church, educational, and civic affairs, he has not neglected the raising of a fine family of six children, three of whom have attended Brigham Young University, one graduating with honors. Another son graduated from Utah State University, and another daughter is attending Ricks College. The youngest son is still in high school.

During his extensive career of service Brother Eberhard has also touched the lives of others by teaching extension classes and giving many lectures, including some time teaching at the Utah State Prison. Articles written by him have appeared in *The Improvement Era*, and he has written lessons for MIA (Mia Maid, Explorer) manuals.

Mr. President, in recognition of his life of service to his fellowmen and on behalf of all those whose lives have been brought to conform more closely to gospel principles through the writings, lectures, direction and example of this outstanding man, I recommend that Ernest Eberhard, Jr., be awarded the degree of Doctor of Humanities, *honoris causa*.

Spencer W. Kimball / *Doctor of Laws*

Presented by President N. Eldon Tanner

Elder Spencer W. Kimball has given a long life of service to community and Church. A paternal grandson of Heber C. Kimball, apostle, prophet, missionary, and counselor to Brigham Young, Spencer Kimball was born March 28, 1895, in Salt Lake City to Andrew and Olive Woolley Kimball. Three years later his father was called to be president of the St. Joseph Stake in the Gila Valley of Arizona. Here Elder Kimball lived until he was called to be a General Authority.

The outstanding character traits of this man appeared even in childhood. His father recognized him as an exceptional boy and predicted his future growth. In school he was a class leader, honor student, and athlete, being the star forward on the basketball team of Gila Academy, then a Church institution, from which he graduated in 1914. At this time he left for a Central States Mission, where he became president of the Missouri Conference. Upon his return he enrolled at the University of Arizona and in 1918 married Camilla Eyring. They now have four children and a score of grandchildren.

Throughout his life Elder Kimball has been a dedicated servant of the Lord. He has served as a teacher, chorister, stake clerk, counselor in the stake presidency, and first president of the Mt. Graham Stake in Arizona for fifteen years. Then in 1943 came the call to the Council of the Twelve, where he now serves.

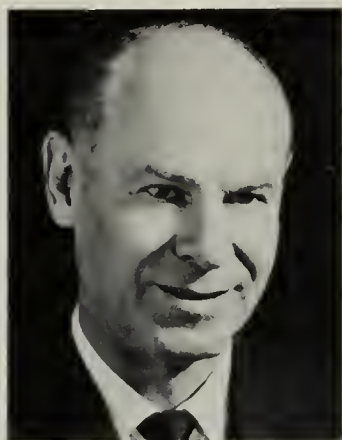

Despite heavy Church responsibilities, Elder Kimball has not been lacking in business and civic duties. He began his business career as a teller and bookkeeper in a bank, later becoming a branch manager and assistant cashier. He has been a real estate broker, part owner of the Gila Broadcasting Company, and insurance agent. His civic activities include many years of service in Boy Scout work; on one occasion he was director of the Executive Council of the Roosevelt Boy Scout Campaign. He was chairman of the USO and United War Fund campaign in Graham County; a member of the Arizona Teachers Retirement Board on appointment from the governor; director of the Arizona Association of Insurance Agents; president of the Safford Rotary Club; and Rotary International district governor.

Elder Kimball's life, although successful, has not been without its trials. In his youth he nearly drowned, suffered facial paralysis, and had typhoid fever. At eleven his mother died. In adulthood he was stricken with a heart ailment, and then in 1957 he suffered from a throat malady which almost destroyed his ability to speak. Today, however, he speaks with a deep, deliberate voice and ably takes his place among the General Authorities, directing the Executive Committee of the Church Missionary Committee, giving many speeches, and retaining his long-time interest in Indian affairs.

Mr. President, for his unwavering dedication to the principles he believes in, for his exemplary life of faith and perseverance, and for his service to his fellowmen, I recommend that Spencer Woolley Kimball be awarded the degree of Doctors of Laws, *honoris causa*.

Wesley Parkinson Lloyd / *Doctor of Laws*

Presented by Dr. Bertrand F. Harrison

Born in Ogden, Utah, on June 15, 1904, Wesley Parkinson Lloyd received the Bachelor of Science and Master of Science degrees in sociology at BYU in 1927 and 1933, and the Doctor of Philosophy degree in 1937, while a fellow at the University of Chicago.

Dean Lloyd has been a member of the Deans' Council since 1937, having served as dean of men, dean of students, and as dean of the Graduate School since 1960. As professor of education he was chairman of the Departments of Philosophy of Education, Church Organization and Personnel on Guidance. In September he will go to the United States International University, where he will serve as dean of the Graduate School of Arts and Sciences.

Dean Lloyd served as a bishop for five years in The Church of Jesus Christ of Latter-day Saints and later as a member of the YMMIA General Board. His wife is the former Lillie Murdock. Their two sons, Kent and Gary, have served as bishops in the Church.

As a representative of private foundations and the U.S. Department of State, he has directed teams of professors and served consulting assignments in many countries of the world. His contributions to education in the U.S. include president of the National Association of Deans of Students, the Utah Conference on Higher Education, the Western Association of Graduate Schools and chairmanships of the Academic Council of Western Personnel Institute, and the Committee on Graduate Education and Research of the Utah Coordinating Council of Higher Education.

Listed in *Who's Who in America* since 1940, Dr. Lloyd's accomplishments are further recognized in *Who's Who in Education*, *Who's Who in the West*, and *Current Biography*, 1965. In 1966 the BYU Alumni Association presented him with the Distinguished Service Award, and he received an Honorary Master M-Man Award from The Church of Jesus Christ of Latter-day Saints in 1968.

Dean Lloyd's publications include four books and numerous professional articles, many on international education. Recent articles, taken from his own experience and on-the-spot research, discuss education on an international basis and show that he has taken to heart the theme of Brigham Young University: "The world is our campus."

The United States Department of State requested and received official reports from Dean Lloyd on various aspects of education in Venezuela, Japan, Colombia, and the Bahamas.

Civic organizations also occupy much of Dean Lloyd's time. He belongs to the American College Personnel Association, the American Personnel and Guidance Association, Phi Eta Sigma, Phi Delta Kappa, Phi Kappa Phi, and the Utah Academy of Arts, Sciences and Letters. While living in Provo he served as president of the Knife and Fork Club in 1958 and as president of the Rotary Club from 1967-68.

Mr. President, in recognition of his dedication to the improvement of education for the peoples of the earth, to the quality of education at BYU, and to his own country, I recommend that Wesley Parkinson Lloyd be awarded the degree of Doctor of Laws, *honoris causa*.

Kenneth D. Wells / *Doctor of Public Service*

Presented by President Ernest L. Wilkinson

Dr. Kenneth D. Wells, president of Freedoms Foundation at Valley Forge, Pennsylvania, was born in Akron, Ohio, on June 23, 1908. His career is characterized by his willingness to serve in almost any position of public service and by a drive to preserve and perpetuate American ideals of freedom and democracy.

He has done postgraduate work at the University of Southern California and California Institute of Technology. The accomplishments of this man have attracted the attention of institutions of higher learning in many parts of the nation, resulting in a host of honorary degrees. Temple University, Florida Southern College, Trinity College, and Texas Christian University are among the institutions that have recognized Dr. Wells' contributions by awarding him honorary degrees.

A glimpse into his character and contributions is gained from looking at some of the many awards he has received from other than educational circles. The National Association of Foremen, the Retired Teachers Association, Kiwanis International, and National Exchange Clubs are a few groups that honored him with their national award. In 1951 Dr. Wells was the recipient of the Honor Citation of the Military Order of the Purple Heart "for meritorious and conspicuous service to Community and Fellow Citizens." Dr. Wells is a strong supporter of the Boy Scouts of America, presently holding membership in the National Court of Honor and the National Explorer Committee. AWARDS FOR DISTINGUISHED SERVICE

JOSEPH F. SMITH FAMILY LIVING AWARD

CHRISTINA NUTTALL MADSEN

Christina Nuttall Madsen was born in Salt Lake City November 21, 1888. Her life has been filled with many activities in Church and other areas, but her prime interest has always been with her family and her home.

After attending Brigham Young University, she taught school in Vernal, Utah, and then married Parley William Madsen, Sr., on September 18, 1912, in the Salt Lake Temple. Brother Madsen died in 1966.

While raising her family of eight children, Mrs. Madsen served in the PTA as well as in Church positions including Sunday School, YWMIA, and Relief Society teacher and leader. When her husband became stake patriarch she learned shorthand and typing in order to be able to record the blessings.

Presently Mrs. Madsen serves as secretary of the Browning Society of Provo and is active in the Daughters of Utah Pioneers.

Because of her outstanding career as mother and homemaker she was nominated for Mother of the Year from Timpanogos District. However, her six sons and two daughters are her greatest tribute. Her children include: Arch L. Madsen, president of KSL and member of the President's Freedom Committee; Viola M. Sabey, R.N.; Velda M. Williams, beautician and nurses' aide; Parley W. FRANKLIN S. HARRIS FINE ART AWARD

DEAN FAUSETT

A native Utahn and artist of national renown is Dean Fausett, recipient of the Franklin S. Harris Fine Arts Award.

Born in Price, Utah, it was Brother Fausett's older brother Lynn, "my first and greatest inspiration," who persuaded him to enter the national competition which won him a scholarship to the Art Students League in New York. He also studied color and oil painting at Brigham Young University and traveled to Europe as a Mural Assistant.

Dean Fausett's mural "Grant's Tomb" was commissioned by U. S. post offices throughout the country. Under a Guggenheim Foundation Grant he painted a series of murals which have been permanently installed at the Air Force Academy in Colorado Springs. During the 1950's Brother Fausett served as Artist Consultant to the USAF Chief of Staff, at which time he painted the famous "Global Power," which hangs in the National Capitol Building in Washington, D. C., and "Flight through the Aurora Borealis," which was installed in the Pentagon. When the late Dwight D. Eisenhower moved to the White House, one of his first requests was to have Fausett's Vermont landscape "Derby View" hung in the White House study.

An artist of extraordinary diversity and originality, Dean Fausett was selected by the *Art News* as one of the ten best painters in America and is also the recipient of the Carnegie International Prize. He was founder and president of the Southern Vermont Art Center and is represented in New York's Metropolitan Museum of Art, the Whitney Museum of American Art, the Museum of Modern Art, and the world-famous Wildenstein Gallery.

For his tremendous accomplishments in the field of art, and for his desire and willingness to use his talent for the benefit of his country and his fellowman, Dean Fausett is presented the Franklin S. Harris Fine Arts Award.

DAVID O. MCKAY HUMANITIES AWARD

LEONARD J. ARRINGTON

Though still a relatively young man, Dr. Leonard J. Arrington has already distinguished himself as a university professor of economics and a writer of western history.

Born in Twin Falls, Idaho, July 2, 1917, he soon began to distinguish himself. As a high school student, he was a state champion debater, state president and national vice-president of Future Farmers of America. He was graduated from the University of Idaho with honors in 1939, and received a Ph.D. in economics from the University of North Carolina in 1952. He has been on the economics faculty of Utah State University since then.

Dr. Arrington is probably best known for his book *Great Basin Kingdom: An Economic History of the Latter-day Saints, 1830-1900*, published first in 1958. It was published in paperback in 1966. This is just one of nineteen books, chapters of books, or monographs he has published since 1954—almost all concerned with Utah and Mountain West history. He is the author of the entry on Utah in the current *Encyclopedia Americana* and is presently under contract with a national publisher to write a one-volume history of the Mormon people. He has also published over one hundred historical articles and reviews, mostly in professional journals. A past president of the Mormon History Association, Dr. Arrington is currently president of the Western History Association. He is at the pinnacle of professional respect as an economic historian.

More than a great scholar and writer, Dr. Arrington is a great Mormon. His life is filled with the characteristics of love, kindness, generosity, humility, and dedication that are so much a part of the benefactor of this award.

For his dedicated service to his fellowmen, and his outstanding publications in the field of economic history, it is a pleasure to present the David O. McKay Humanities Award to Leonard J. Arrington.

ABRAHAM O. SMOOT PUBLIC SERVICE AWARD

ALBERT SHERMAN CHRISTENSON

The Honorable Albert Sherman Christenson, a prominent U. S. judge, was born in 1905 in Manti, Utah. He was a student at BYU from 1923 to 1927, and received the LL.B. degree from the National University (now George Washington University) in 1931.

In 1927, Brother Christenson married the former Lois Bowen, and they are the parents of three children.

While working toward his degree, Brother Christenson became assistant business specialist for the Department of Commerce in Washington, D.C. He returned to Provo in 1933, where he had a general law practice until 1942. His practice was interrupted for three years during World War II, when he served as a lieutenant commander in the United States Navy. In 1954, he became a U.S. judge for Utah.

Vitally interested in civic and governmental affairs, Brother Christenson has held important positions in many organizations. He has been president of the Provo Junior Chamber of Commerce, Utah State Young Republican League, Utah Junior Bar, Utah County Bar Association, and Utah State Bar; and member of the Utah State Bar Commission, Board of Utah State Bar Examiners, board of the Provo Chamber of Commerce, American Bar Association, Federal Bar Association, Utah State Bar, and District of Columbia Bar. He also is the author of many monographs and articles.

In 1938 he received the Provo Junior Chamber of Commerce Distinguished Service Award, and the following year he received the Utah Junior Chamber of Commerce Outstanding President Award.

For his unselfish dedication to the laws of this land, for his love of country, and for his tireless service to the community, it is appropriate that Albert Sherman Christenson be awarded the Abraham O. Smoot Public Service Award.

JAMES E. TALMAGE SCIENTIFIC ACHIEVEMENT AWARD

VASCO M. TANNER

Vasco M. Tanner, born in Payson, Utah, has published more than 150 scientific papers and articles and is recognized as a world-wide authority in the field of entomology.

He received his bachelor's degree from Brigham Young University in 1915, his master's degree in geology from the University of Utah in 1920, and his Ph.D. in entomology and paleontology from Stanford University in 1925.

Brother Tanner started his teaching career in 1916 at Dixie College in St. George. While teaching there he met his wife, Annie Atkin. They were married June 5, 1917, in the St. George Temple. They are the parents of five children.

Brother Tanner came to BYU after receiving his Ph.D. from Stanford. He is recognized as a master teacher by both his students and fellow colleagues. He was chairman of the Department of Zoology for thirty-eight years and has assembled a collection of fishes and insects that is ranked as the best in the intermountain area, and, in some respects, the best in the world.

In 1939 Brother Tanner became the founder and editor of the *Great Basin Naturalist*. This periodical, which serves as an outlet for publication of scientific research done in the intermountain region, is highly regarded throughout the world as an authoritative publication.

Brother Tanner is a member of at least 14 national and international scientific societies and is an honored fellow in five of them. He is one of the few men in the western United States who is a fellow of the Royal Entomological Society of London.

For his preeminence as a scientist, scholar, and master teacher, and for his outstanding accomplishments as a researcher and writer, it is a pleasure to present Vasco M. Tanner the James E. Talmage Scientific Achievement Award.

BRIGHAM YOUNG UNIVERSITY SPECIAL SERVICE AWARD

HAROLD GLEN CLARK

It is indeed fitting that Harold Glen Clark be given special recognition for the outstanding service which he has rendered to Brigham Young University. He was born on June 11, 1902, in Mesa, Arizona, the son of Joseph and Mary Adeline Clark. Brother Clark's formal schooling consisted of a B.S. degree from BYU, an M.S. degree from the University of Southern California, and an Ed.D. degree from George Washington University. He married the former Virginia Driggs who passed away in 1950. He is presently married to Mary Deane Peterson.

Harold Glen Clark came to BYU as an education counselor in 1946 and later that year was appointed professor of education, director of the Extension Division, and executive secretary of the Alumni Association. In 1957 he was appointed dean of the Extension Division, the name of which was changed to Division of Continuing Education in 1964. He maintains this position at the present time. In 1945-46 the budget for the division was very small. Under Dean Clark's expert administration the program has expanded many times the original amount.

Through his creativity, his ability to challenge and inspire, and his devotion to the cause of continuing education, the departments of Education Weeks, Evening Classes, Home Study, Off-Campus Lectures and Courses, Special Courses and Conferences, and Travel Study have brought the college experience to thousands unable to leave their jobs or families to attend school as full-time students.

A silent spokesman for Brother Clark's excellent service is the fact that the BYU Division of Continuing Education now ranks among the top ten in the United States and is as high as third in some categories.

For his outstanding contribution to Brigham Young University and for his continuing example of excellent leadership, Harold Glen Clark is awarded the Brigham Young University Special Service Award.

THE ALUMNI ASSOCIATION

Welcome, Class of 1969. As your student days pass behind you, the Alumni Association hopes to help you keep alive an active interest in the University.

The worldwide BYU Alumni Association is a nonprofit organization with over 100,000 members. Its goal is service—both to you as alumni and to BYU. Unlike many other alumni associations the BYU organization requires no dues for membership. All who have completed a semester or more of full-time study at BYU are automatically members and eligible for the benefits of the association.

The key word of the Alumni Association is SERVICE. It's a two-way street kind of service. First is the service the association can offer you as alumni. Second is the service you can give BYU through the association. (As an interdependent organization, the Alumni Association collects no funds for itself. It operates on a budget from BYU and all alumni gifts go directly to the University to support areas where the need is greatest as determined by the Board of Trustees.)

Let's talk first about how the association can benefit you:

As an official BYU alumnus you will begin receiving the bimonthly *Alumnus* newspaper. (Please keep us advised of your address changes.)

Class reunions, held every five years, are sponsored and organized by the Alumni Association.

You will receive advance information about ticket sales to BYU-sponsored activities, including Homecoming and athletic events.

A current address and biographical file will be kept for you. It can be used to locate a former classmate or to supply recommendations for such things as job opportunities.

The association still feels that education is the most important part of college. It works with the Division of Continuing Education to help you participate in Home Study courses, Education Week, Travel Study tours, and Special Courses and Conferences on campus or at BYU centers throughout the country.

What are your obligations to the Alumni Association in return? As already indicated, there are no dues or assessments. Perhaps it is best summed up by Bishop Robert L. Simpson, member of the Presiding Bishopric of the Church, when in a message to BYU alumni he quoted from a *Deseret News* editorial: "We drink every day from wells we have not dug; we warm by fires that we have not kindled . . ."

Bishop Simpson continued, "And now, as we contemplate our role and that of Brigham Young University, we should think in terms of replacing some of the sweet water we have taken from the well. We should think in terms of placing new kindling wood in that fireplace from which we have found warmth these many years."

Your education probably seemed very expensive to you. It was. Right now you're probably low on funds. Actually, however, your tuition paid less than one fourth the cost of your degree. Many friends, alumni and Church members helped you. Later, as you move out into the world and become able to do so, you will have the opportunity of carrying on this tradition of service.

Thus you can help others as they have helped you, a primary goal of your Alumni Association.

SIGNIFICANCE OF ACADEMIC COSTUME

The significance of academic costume is determined especially by the sleeves and hoods. DOCTORS wear the round bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or color indicating the degree; the doctor's hood is large. The doctor may, if he so chooses, wear the gold tassel on his cap. MASTERS wear the long, closed sleeve, with a slit near the upper part of the arm; the master's hood is of more moderate size. BACHELORS wear the long or pointed sleeve. The color of the tassel indicates whether the degree is in the field of arts (white) or science (golden-yellow).

Hoods are lined with the colors of the institutions granting the degree, or with which the wearer is connected, and are trimmed with velvet of the color distinctive of the degree—for example, humanities and social science, white; philosophy, blue; science, golden-yellow; music, pink; engineering, orange; education, light blue; commerce and accounting, drab.

COLLEGE SONG

All hail the College that we love
At the throne, the throne of wisdom's sway,
O let us lift our songs above
The thronging multitude today.
No pride nor riches here may sue
The head, the heart, the hand united must be true,
Be true to thee our white and blue,
When they join our happy band.

Chorus

Then cheer anew for the BYU.
We've come to work, to live, to do.
We'll raise our standard, bear it through,
Our hearts are true to the BYU.

HONORARY DOCTORAL DEGREE

John L. Clarke / *Doctor of Public Service*

Serving since 1944 as president of Ricks College, John L. Clarke has dedicated practically his entire life to guiding and helping youth and serving the community.

Prior to accepting his present position, Brother Clarke taught high school in American Fork, was a debate coach, served as a seminary principal in Wyoming, and directed the institutes at Gila College in Thatcher, Arizona, and Dixie College at St. George, Utah.

He received both his B.A. degree and his M.A. degree from Brigham Young University as a political science major. He has done postgraduate work at the University of California at Los Angeles and the University of Southern California, as well as at BYU.

A mission to Great Britain from 1928 to 1930, where he was president of the London District, was just the beginning of Brother Clarke's many years of Church activity. He has served in the stake YMMIA, on two stake high councils, in the stake presidency, as a stake president, and as a Sunday School superintendent.

Along with his career in education and his Church activities, Brother Clarke has still taken time to use his talents for the betterment of the community and the state. He has been a member of the Rexburg Planning Board; Advisory Board, Targhee National Forest; Executive Board, Teton Peaks Council, Boy Scouts of America; Board of Trustees, John A. Widtsoe Memorial Foundation; American Academy of Political and Social Sciences; National Education Association; Delta Phi; Rotary International; Chamber of Commerce; American and Western Political Science Associations; Lambda Delta Sigma; and a trustee of the Idaho Falls LDS Hospital.

A list of his special awards and recognitions is in itself a tribute to Brother Clarke. He received the Distinguished Alumni Award from Brigham Young University; is an honorary member of the National Council, Boy Scouts of America; and received the "Citizen of the Year" award from Madison County, Idaho, in 1964. He is also a member of the Editorial Board of the Junior College Journal and the Board of Regents, American Foundation for Greece.

He is listed in *Who's Who in America*; *Who's Who in the West*; *Who's Who in American Education*; *Who's Who for Idaho*; *Presidents and Deans of American Colleges and Universities*; *Directory of American Political Science Association*; and *American Men of Science*.

Along with his responsibilities at Ricks College, Brother Clarke is presently serving on the Higher Commission of the Northwest Association of Secondary and Higher Schools and on the Advisory Council of the Cedar Badge program of the Teton Peaks Council of the Boy Scouts of America, as well as on the Advisory Committee of the Idaho State Commission for Higher Education Facilities.

Brother Clarke married Fay Christensen in 1931, and they have three children.

Mr. President, in recognition of his achievements in education, for his example to youth, his dedication, his leadership abilities, and for his life of public service, I recommend that John L. Clarke be awarded the degree of Doctor of Public Service, *honoris causa*.

THE ALUMNI ASSOCIATION

Welcome, Class of 1969. As your student days pass behind you, the Alumni Association hopes to help you keep alive an active interest in the University.

The worldwide BYU Alumni Association is a nonprofit organization with over 100,000 members. Its goal is service—both to you as alumni and to BYU. Unlike many other alumni associations the BYU organization requires no dues for membership. All who have completed a semester or more of full-time study at BYU are automatically members and eligible for the benefits of the association.

The key word of the Alumni Association is SERVICE. It's a two-way street kind of service. First is the service the association can offer you as alumni. Second is the service you can give BYU through the association. (As an interdependent organization, the Alumni Association collects no funds for itself. It operates on a budget from BYU and all alumni gifts go directly to the University to support areas where the need is greatest as determined by the Board of Trustees.)

Let's talk first about how the association can benefit you:

As an official BYU alumnus you will begin receiving the bimonthly *Alumnus* newspaper. (Please keep us advised of your address changes.)

Class reunions, held every five years, are sponsored and organized by the Alumni Association.

You will receive advance information about ticket sales to BYU-sponsored activities, including Homecoming and athletic events.

A current address and biographical file will be kept for you. It can be used to locate a former classmate or to supply recommendations for such things as job opportunities.

The association still feels that education is the most important part of college. It works with the Division of Continuing Education to help you participate in Home Study courses, Education Week, Travel Study tours, and Special Courses and Conferences on campus or at BYU centers throughout the country.

What are your obligations to the Alumni Association in return? As already indicated, there are no dues or assessments. Perhaps it is best summed up by Bishop Robert L. Simpson, member of the Presiding Bishopric of the Church, when in a message to BYU alumni he quoted from a *Deseret News* editorial: "We drink every day from wells we have not dug; we warm by fires that we have not kindled . . ."

Bishop Simpson continued, "And now, as we contemplate our role and that of Brigham Young University, we should think in terms of replacing some of the sweet water we have taken from the well. We should think in terms of placing new kindling wood in that fireplace from which we have found warmth these many years."

Your education probably seemed very expensive to you. It was. Right now you're probably low on funds. Actually, however, your tuition paid less than one fourth the cost of your degree. Many friends, alumni and Church members helped you. Later, as you move out into the world and become able to do so, you will have the opportunity of carrying on this tradition of service.

Thus you can help others as they have helped you, a primary goal of your Alumni Association.

SIGNIFICANCE OF ACADEMIC COSTUME

The significance of academic costume is determined especially by the sleeves and hoods. DOCTORS wear the round bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or color indicating the degree; the doctor's hood is large. The doctor may, if he so chooses, wear the gold tassel on his cap. MASTERS wear the long, closed sleeve, with a slit near the upper part of the arm; the master's hood is of more moderate size. BACHELORS wear the long or pointed sleeve. The color of the tassel indicates whether the degree is in the field of arts (white) or science (golden-yellow).

Hoods are lined with the colors of the institutions granting the degree, or with which the wearer is connected, and are trimmed with velvet of the color distinctive of the degree—for example, humanities and social science, white; philosophy, blue; science, golden-yellow; music, pink; engineering, orange; education, light blue; commerce and accounting, drab.

COLLEGE SONG

All hail the College that we love
At the throne, the throne of wisdom's sway,
O let us lift our songs above
The thronging multitude today.
No pride nor riches here may sue
The head, the heart, the hand united must be true,
Be true to thee our white and blue,
When they join our happy band.

Chorus

Then cheer anew for the BYU.
We've come to work, to live, to do.
We'll raise our standard, bear it through,
Our hearts are true to the BYU.

Please save this program for evening college convocation.
